

# K16i

FAST TARGET ACQUISITION IN TOUGHEST ENVIRONMENTS

KAHLES

The K16i is ideal for acquiring targets within a very short time thanks to its ultra-wide field of view. Competition shooters benefit from the extra-high nose and the large, easy to use adjustment ring.

## PRODUCT HIGHLIGHTS

- Sporty riflescope with ultra-wide field of view for fast target acquisition
- Developed for even the toughest demands
- Extra bright day illuminated reticles in the second focal plane
- 3GR reticle for IPSC and 3 Gun
